"Most wards evalved as a description of the autside warld, hence their inadequacy to describe what is gaing an inside me."

"Far cammunicotian ta have meaning it must have o life. It must transcend "you and me" and became "us". If I truly communicote, I see in you a life that is nat me ond partake of it ond you see ond partoke af me. In a smoll way we then graw out af our old selves and became samething new."

I climbed the highest mauntain,
And reached far the nearest star.
I reached again
And again,
But anly in vain.
Disappointed and tired,
I descended ta the valley far rest.
I clased my eyes
And laughed
As I ran thraugh the heavens,
And danced an the stars.

## Short Off

Reaching this tap is raughest af all, The end reward the greatest. Here Gad has built a haven fair, Far thase wha wish ta find it.

We camp beside an emerald lake, An uncut gem af matchless beauty, Still untouched by man's improvement, It remains as He intended.

Out af the raats af a large Black Gum, Tapped fram that eternal fountain, Paurs a spring af dancing water, Sweeter that the kiss af waman.

When walking an the rock cliff's face, Summer's eminent fury threatens, Forces us ta laak far shelter, Beneath an averhanging baulder.

As the rain in mass prafusian, Leaves nat a single stane undrenched, We watch o certain little droplet, Fall far what seems like forever.

Naw the sudden starm is ended, Just as swiftly os it began. What a gift we have been given, Picked ta fill this niche in time

Man is challenged today to excel in almost every endeavor . . . those who do succeed often trace the beginnings of their performance pattern to accomplishment in high school and to those who offered stimulation and inspiration in these formative years. Josten's has long been a partner to these educational leaders in providing a means of motivation and the rewards of recognition, and Josten's products have become tangible symbols honoring perseverance and achievement.

The game is over; The Happening '73 gaes to press. Our goal was to present the HERE and NOW at Western Piedmant in a fashian which will be appreciated and remembered in the years to came.

Our players (staff) were few, but we played our best. We extend thanks to Mr. Carter and Mr. Miller and Fred for all their help and advice with the photography and art; Mary, Jacque and Lynn of Student Services were invaluable help with proof-reading and typing.

Dickie McGee, Gene Smith, Andy Carpening, Rick Lanan, John Patrus and Nancy Harris — to these who stepped in at the last minute to pick up the many fumbles — thanks!!!
